

# Photography Workshops at the Kanabec History Center

**Instructor Dee Kotaska**

## **iPhone Photography Tuesday June 11 (7:00 to 9:00 PM)**

Have an iphone and would like to learn more about how to use the camera and some common apps? We will spend time learning about the native camera on the phone, organization of photos, and some common photography effects apps. The class will focus on the iphone; but info may be applicable to other smart phones as well.

**BRING IPHONE TO CLASS FULLY CHARGED.  
Fee: \$25 Min. 4 students, Max. 12**

## **Creating Artistic Images with the Iphone and/or Ipad Thursday June 13 7:15 - 9:15 PM**

This class will focus on creating artistic photographs with the iphone or ipad and apps. These are apps that are used in the creation of composite photos and the blending of two or more photos together. The class will focus on the apps of Juxtaposer, Scratchcam, Image Blender and Snapseed. It is not necessary to have the apps already loaded; but it would be helpful. BRING IPHONE OR IPAD TO CLASS FULLY CHARGED. Will focus on the iphone and ipad; but information will be applicable to other smart phones as well.

**Fee: \$25 Min. 4 students, Max. 10**
