

# 3 NEW PHOTOGRAPHY WORKSHOPS at the Kanabec History Center

Instructor Dee Kotaska

## **iphone/ipad Photography (Smart phones too)**

**Thurs. Oct. 24 (7:15 to 9:15 PM)**

The camera on the iphone is extremely handy and the pictures are even good! However, this camera has many more features than many people are aware of. And the apps! There are apps to boost a camera's performance, apps to help you find sunrise and sunset and apps to create effects on the photos. This class will focus on how to use the camera to its fullest capacity and demonstrate some of the more common photography apps. While the class will focus on the iphone; info will be applicable to other smart phones as well. **BRING IPHONE OR IPAD TO CLASS FULLY CHARGED. Min. 3 students - Max. 12, Fee: \$25**

## **Creating Artistic Images with the iphone and/or ipad (Smart phones too)**

**Tues. Oct. 29 (7:00 to 9:00 PM)**

This class will focus on creating artistic photographs with the iphone or ipad and apps. These are apps that are used in the creation of composite photos and the blending of two or more photos together. The class will focus on the apps of Juxtaposer, Image Blender and Snapseed. It is not necessary to have the apps already loaded; but it would be helpful. **BRING IPHONE OR IPAD TO CLASS FULLY CHARGED** Will focus on iphone and ipad; but information will be applicable to other smart phones as well.

**Min. 3 students - Max. 10, Fee: \$ 25**

## **Understanding the Digital SLR and Using Manual Exposure Settings Tues. Nov. 5 (7:00 to 9:30 PM)**

Today's cameras have automatic exposure settings that will give the correct exposure in most situations. However, there are situations when one wants to override the automatic settings and control the shutter speed and aperture or create special effects. We will review the features that distinguish SLR from film cameras and how to set and use those features. We will also discuss aperture and shutter speeds and other factors like ISO that affect getting a more correctly exposed image. Appropriate for SLR camera owners or point and shoot cameras that have the capability of manual exposure settings. **BRING CAMERA AND MANUAL.**

**Min. 3 students - Max. 7, Fee: \$25**

### **Kanabec History Center**

805 West Forest Avenue in Mora  
PO Box 113, Mora MN 55051  
• 320-679-1665
