

## YOUR SUSPECTS:

### Reginald Maxwell II:

*Real Estate Mogul. Suave and underhanded, he loves dressing up like a pirate - this party is right up his alley, seems he's up to something. It's apparent he's a ladies man.*

*Secret Obsession: Tormenting small children while playing miniature golf.*

### Mayor Ben Dairy and wife Helena:

*Mayor Dairy's brother Jerry perished in the horrible fire ten years ago. Still grieving.*

*Helena is a bit overbearing but takes her nursing (candystrapping) job very seriously.*

*Both love playing "romantic" games together. Secretly desiring to swing.*

### Sharon Raisin:

*East Central Daily Weekly Columnist.*

*Lost her brave firefighter fiancée, Winston Salem in the tragic fire. Tonight, she's looking to mend her broken heart. Sharon dreams of acquiring the empty corner, turning it into a park named for her lost love, calling it Salem's Lot.*

### Ingrid Clark

*New to town, but claims to be the long lost niece to Mill Owner Myron Clark, who perished in the fire. She intends to take ownership of her Uncle's Mill property and will torture anyone who gets in her way.*

### Lester Dine:

*Poor Poor Lester Dine. Shy and insecure since he almost died in that fateful fire ten years ago. Previously the strong, debonaire socialite City Administrator - now, a shadow of a man. living in the nether regions of the city.*

### Ludwig Von Herring:

*Ludwig (Red) Von Herring is the Director of Paranormal Activities in Las Vegas, NV. He's gotten wind of the strange activity at the corner property and is here in Mora to learn more.*

### Ms. Slade Webster:

*Long time resident of the area, she has seen much history take place and has documented all of it. Wants to publicize the truth! Doesn't take kindly to change or to corruption, she will put things right, even if it kills her...*

### Grace Peabody:

*Strange being, summoning strange beings. Some may call her a witch. Outer worldly powers, be wary of her and her magic. She can cast spells. Her spells can kill ...*

### Cleo Lane:

*Lying well under this head of curls is a powerful psychic clawing to get out. Working under Ms. Peabody, will Cleo bend the night's events to her will in order to get what she wants?*
