

All of our 38 business banner poles along hwy. 65 have been spoken for! This is exciting news.

We have another banner project in the works for everyone, especially those who did not get onto hwy. 65 and wanted to.

If you are interested in purchasing banners for along Union Street and/or Forest/Maple please let me know. These “downtown” banners will cost \$100.00 each and your name will be on these (see example below). These banners will be up *most* of each year and are guaranteed by the manufacturer to last for three years. They will come down for special events such as the Vasaloppet and Christmas.

With the holidays in mind, if you purchase a \$100.00 “downtown” banner with your name on it, you can also purchase a holiday banner for \$70.00 (with your name on it.)

This is exciting as we can get the whole area filled with banners and advertise your businesses at the same time. Certainly brighten things up too!

I hope that you'll consider being a part of this ~
Please let me know if you have any questions.

Thank you.
