The state of Minnesota through its Department of Employment & Economic Development (DEED) provides a variety of business & community development resources that may be utilized to advance the ongoing development of East Central Minnesota. These resources include grants, loans and tax credits that support business expansions, small business counseling, community financing of public infrastructure to support business development and business import and export assistance. Come hear firsthand from DEED officials from the offices of Business and Community Development, Trade and Broadband Development how your community, businesses and residents can benefit from these programs.
