CONTINUING EDUCATION
& CUSTOMIZED TRAINING

Emergency Medical Technician—Basic

Emergency Medical Technicians provide a foundation in emergency medical care. The course is designed to teach emergency care and transportation of patients

who access the emergency

medical system. Students will develop skills in the use of and care of all basic emergency equipment. The course includes topics such as patient assessment, trauma management, recognition and care of heart disease, respiratory problems and other medical emergencies. Emergency Medical Technicians perform interventions with the basic equipment typically found in emergency care settings. This course consists of lecture, skills practice and clinical experience at a local hospital and/or ambulance service. This course is approved by the Minnesota Emergency Medical Services Regulatory Board. Participants who successfully complete the course will be eligible to take the National Registry of EMT's practical and written examinations for State and National Certification as an Emergency Medical Technician. Notice: If you have been arrested, charged or convicted of any criminal offense, you should investigate the impact that the arrest, charge or conviction may have on your chances of employment in the field you intend to study or on your chances to obtain federal, state, and other higher education financial aid. High Speed internet is required for outside of class study.

For the clinical experience portion of this class students will be required to complete the MDH background study and provide proof of a current Mantoux test.

This Course will take place at the Pine Innovation Center Classroom.

CE/CT REGISTRATION INFORMATION

REGISTRATION/PAYMENT—Registration is by payment of fees on a first come, first served basis. Mail the attached registration form or bring it to the Continuing Education/Customized Training (CE/CT) division of Pine Technical & Community College, 900 4th Street SE, Pine City, MN 55063. Please feel free to call us toll-free (1-800-521-7463 ext. 176) with registration or course questions. All registrations must be prepaid one week prior to the start of class.

APPLICATION FEE—It is Pine Technical & Community College's policy that students enrolled in credit-based courses pay a one-time only \$20.00 application fee. Hour based classes do not require the \$20.00 application fee.

REFUND—For hour based classes, a full refund will be granted 5 working days before the start of class. No refund will be made after that. A full refund will be given on all classes canceled by the school. All refunds will be mailed. Please allow up to four (4) weeks to receive the refund. For credit based classes refunds are made on a pro-rated basis.

SENIORS—Seniors (66 or older and a MN Resident) may enroll tuition-free in the non-credit courses "when space is available after all tuition-paying students have been accommodated" except for courses designed and offered exclusively for business/industry, or at \$15 per credit for credit-based classes. However, other costs such as technology, parking, lab, book and materials, etc. are the student's responsibility. Proof of age will be required at time of registration. Senior citizens will be placed on a waiting list and notified the day of the class if a place is available or if the class is cancelled. Note: Please check "Senior Citizen" on the registration form.

RECORDS—Courses taken at Pine Technical & Community College will be recorded under the following: certificate: upon completion of an hour-based course a certificate containing the course title and clock hour(s) shall be awarded; transcript: upon completion of a credit-based course a transcript becomes the official student record.

CANCELLATION—In the event of bad weather, class cancellations will be announced on radio stations WCCO and WCMP. Closure of Pine City Schools does not include Pine Technical & Community College.
