

The purpose of the  
Mora Area Chamber of Commerce  
has  
always been to help  
businesses succeed.

Through shopping local  
campaigns, strong  
communications, networking  
& community advertising  
we strive to bring achievement  
to the businesses who support  
our community.

We now have the opportunity to  
assist with funding  
further education, to take  
our employers and their staff  
to the next level.

## Kanabec Area Chamber Foundation

### Business Development Education Scholarship Program

Offering grants  
up to \$1500.00  
annually to Mora Area  
Chamber member  
business owners & their  
staff

# Welcome to the Kanabec Area Chamber Foundation Business Development Education Scholarship Program

Over the last four years, the Kanabec Area Chamber Foundation has been building the groundwork for a business scholarship program through the donations of the annual Murder Mystery Dinner Theatre.

Our goal is to enrich our local businesses through further education of the owners and/or their staff. We would like to assist in the advancement of business owners, by awarding multiple scholarships to our current chamber members for the betterment of their personal and career development.

We encourage scholarships to be applied for use in financial, managerial, or specific business training, but we are open to abundant possibilities. These funds could also be put towards books & materials as well as fees pertaining to supplemental staff costs.

The purpose of this program is to help our local businesses retain, sustain, and grow.

Forms will be available on our Chamber Website: [www.MoraMN.com](http://www.MoraMN.com) beginning May 1st, 2016 - Only then will we begin taking applications.
