Please answer the following questions openly and with as much detail as possible. Attach additional paper as necessary.

1. Reason for Application (ie: Personal growth? Business development?):

2. What are you are doing in your current employment position that you feel this education/training would enhance?

3. How will continuing your education/training benefit your employer, overall?

4. How will this education/training benefit you in your business career?

5. Scholarship funds will be used specifically for:

- Trade school (example flower design)?
- Continuing education (example QuickBooks)?
- Materials for school?
- Other?

6. Is this course required for you to retain your current employment position?

7. What is the total dollar amount of your education/training?

8. Name and location of facility offering education/training you have applied for?

9. When is the education/training you have applied for being taken?

10. If you are awarded a portion of this scholarship, and it does not cover the entire amount requested, would you still be able to proceed with your education/training?
